Headcount Definition Changes: In Fall 14 (FY15) UMUC moved to WorldWide Distance Education (WWDE). This change had an impact on Stateside Headcount because any student who took a WWDE course was considered Stateside. In Fall 16 (FY17) UMUC started reporting all students, including Worldwide students. Now students are reported based off of their home campus.

Enrollments: Enrollments refers to the number of classes in which a student is registered. A student registered for more than one class will be counted once for each class. For example, if one student is taking two classes that student is counted as two enrollments.
